MAIL ORDER PHARMACY

We are pleased to provide you mail order services through EnvisionPharmacies. Mail order is an excellent way to receive prescriptions you will be taking for a long time with no worries about availability of supply at the local pharmacy. If you take medications on a regular basis to treat a chronic condition such as high blood pressure, high cholesterol or diabetes, consider using a mail order pharmacy for added convenience.

Please refer to the enclosed EnvisionPharmacies brochure for instructions on how to use EnvisionMail. **You will need to obtain NEW 90-day supply prescriptions from your physician.** You also must **REGISTER** your member information with EnvisionMail.

You may use any of the following 3 easy registration options:
