CORPORATE SERVICES EAP

IT'S CONVENIENT

With a broad network of providers, Corporate Services EAP has locations convenient to your home and/or job in order to meet your needs.

IT'S CONFIDENTIAL

CSEAP offers confidential problem assessment and referral services.

24-HOUR HOTLINE

After normal work hours, in an EMERGENCY situation, your call will be responded to promptly by our "on call" CSEAP specialist.

GETTING HELP IS EASY

To contact CSEAP, call us toll-free at
1-800-962-7487

You and your CSEAP specialist will discuss and address your concerns. Recommendations will be offered as to how you might best deal with the issues you present. When needed, we will recommend appropriate community resources for additional assistance.

A CARING AND COMPASSIONATE STAFF

From the administrative professionals that take your call to the clinicians you meet with, our mutual goal at CSEAP is to ensure that you have the easiest and most beneficial experience possible.

NO COST TO YOU

CSEAP services are available at no cost to covered employees and their family members.

However, if additional services are recommended, and accepted by you, some costs may be incurred if the recommended services are not fully covered by your insurance.

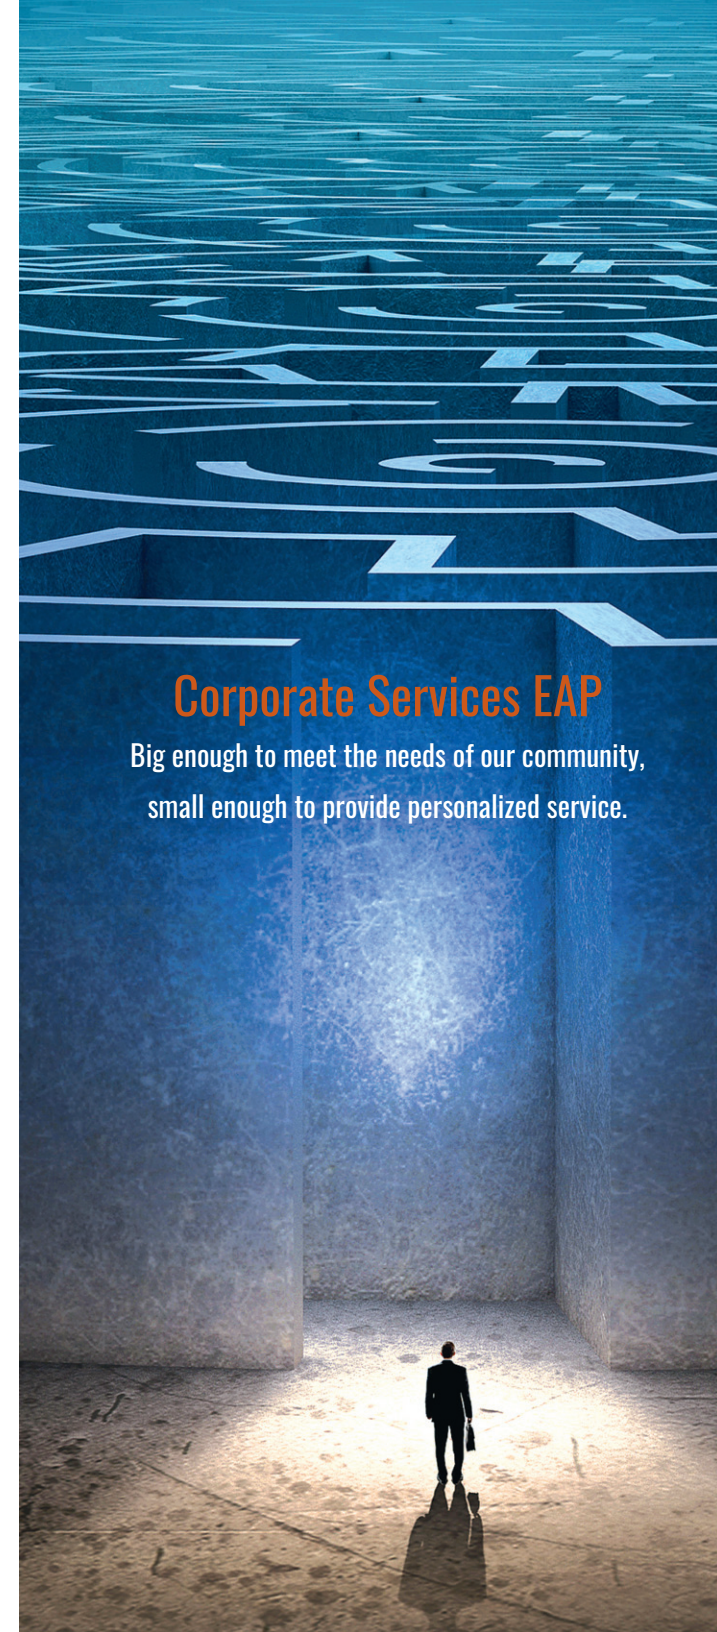

EMPLOYEE ASSISTANCE

**Professional Assistance, 24 hours a day,
7 days a week**

Work and family stressors affect all of us. The problems you and your family face on and off the job can affect your personal life, your health, and your job.
